Precautions

- Examinations are performed by appointment only
- Fasting is not required for this examination
- The examination will take approximately 1 hour.
- Please come at the set appointment time. Examinations cannot be started early for those who come early. Please avoid coming in more than 1 hour before your appointment time.
- Please inform our staff if you are pregnant

Chest Xray

When taking the chest Xray, you will be asked to remove all clothing covering the upper body (including underwear). Please avoid clothing that cannot be taken off quickly.

Pregnant applicants are not exempt from Tuberculosis screening. For pregnant applicants, there are three options:

- Chest Xray can be performed with abdominal shielding.
- Sputum tests can be performed instead of an Xray (the results take around 8 weeks)

- The applicant can delay the application until after delivery.

Please note that Xray is generally not recommended in the first trimester.

Test requirements and costs
